

Flagstaff Ranch Water Co Equipment Installation/Media Change Out

FE installed and mounted customer supplied equipment including an AdEdge arsenic skid filter assembly, bag filter, backwash tank and pump, as well as chemical feed equipment. FE provided electrical and field piping as per ADEQ approved drawings provided by the client. FE provided the customer with as-built drawings at the completion of the project. FE also provided media and completed the change out service in June of 2009.

Owner: Flagstaff Ranch Water Co.
